BEING A BOY.

[Charles Dudley Warner.] world to be is a boy; it requires no ing audience. experience, though it needs some Mrs. Sarah Dunn, formerly of practice to be a good one. The dis Toulon, Ill., now of Grinnell, Ia., re advantage of the position is that it cently came by a nice little legacy does not last long enough. It is soon over. Just as you get used to

to be a man, and is very uneasy with the restrictions put upon him as a boy. There are so many bright spots in the life of a farm boy that I sometimes think I should like to live the life over again. There is a ter, Mrs. Sarah Dunn. Recently the great comfort to a boy in the amount of work he can get rid of doing. It is sometimes astonishing how slow he can go on an errand. Perhaps he couldn't explain himself, why, when he is sent to the neighbor's after the yeast, he stops to stone the frogs. It is a curious fact about boys that two will be a great deal slower about doing anything than one. Boys have a great power of helping each other do

But say what you will about general usefulness of boys, a farm without a boy would very soon come to grief. He is always in demand. warded the \$100, with its amount of In the first place, he is to do all the increase, which swelled the sum to \$2,600-the result of interest for 64 errands, go to the store, the postoffice, and to carry all sorts of messages. He would like to have as many legs as a wheel has spokes, He has a natural genius for combining pleasure with business.

PURSUE WHAT IS USEFUL.

Come, boys, and listen a few mowill be very likely to make a straight sition in life which you will not be must be in finishing up the article who was very particular about his exact is a military officer in command of a body of men. A clumsy sailor will never rise to the command of a ship.

But there is one great danger which besets many young men at the present day. If it is the disposition to avoid all solid improvement, and take up with subjects that require no thought, and which serves as mere warfare with godliness, our portion will be that of the ungodly. As the tree falleth so shall it lie. We shall reap what we have sown.

"Let my example warn you of the fatal error into which you have fallen," said the gay Sir Francis Deleval, near the end of his life. "Pursue what is useful! pursue what is useful!" Reader, if you would not make your life a curse, present and eternal, "pursue what is useful."

OLD STYLE CHURCH PEWS

The cosy squire's pew of the eighteenth century was an elaborate structure, luxuriously furnished and tillery, at \$13 per month. It was All the packages when filled, are the spirit of Christ's Gospel, and surmounted by crimson curtains. It for the purpose of finding out why carefully cleansed of all outside demanded the more rigorously behe took this step that a World re drip occasioned by the filling proporter yesterday visited him.
